

For 25 years Livestock CTA's trader, Roger Show has been involved in the livestock industry, primarily buying and selling cash hogs and trading the lean hog futures contract. Over these past 2 plus decades Roger has acquired an intense passion for the hog business. To Roger, the hog business is not work but a way of life! One can sense that passion in the attached picture of Roger's license plate. Incidentally, Roger said his daughter refuses to ride in his car!

Investors should be aware that trading futures and options involves substantial risk and is not suitable for everyone.
